Dear Mr. Fletcher,

The Alabama Department of Environmental Management (ADEM) acknowledges fuel waivers issued by the U.S. Environmental Protection Agency (EPA) in response to fuel supply disruptions and national energy emergencies. Alabama has no specific summer and winter RVP/Ethanol requirements and defers to federal EPA requirements.

ADEM remains committed to protecting environmental quality and public health while ensuring an adequate and reliable fuel supply during fuel supply emergencies.

If you have any questions, please contact Dodi Moseley at 334-271-7701.

Sincerely,

A handwritten signature in blue ink, appearing to read "A. White III".
