Top Solutions For Your Organization

A PARTNERSHIP JUST MAKES SENSE.

Your workday should be spent running your business. Leave the needs assessments, order assembly, tech repairs and delivery to us.

Quality Products

An incredible selection of brand name items you need at prices you want from a name you trust. Plus, you can rely on the expertise of our dedicated Quality Assurance Team, who monitors the quality and safety of the products we sell.

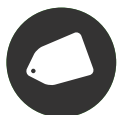

Local Delivery

We'll deliver your order directly to you, and meet you on your time, which means your focus stays on running your business. Let our team - literally - do the heavy lifting.

Services Tailored to Your Needs

Whether in person, online, on the phone or all three, you'll partner with a dedicated sales rep to get the advice and product solutions you need to keep your business running, and to help your bottom line. Your rep will even visit you on-site to help determine your needs, as well as any money- or energy-saving opportunities.

Volume Pricing

When you buy more using the Association agreement, you'll save more, simple as that. National Purchasing Partners customers can save up to 73% on items they purchase, including batteries, bulbs, services and key fobs.

Recycling Services

Batteries and bulbs don't belong in landfills. Let's work together to recycle spent batteries, bulbs and select electronics according to any local, state or national ordinances. We'll even come to collect your recyclables, saving you time and money.

Phones, Tablets, Key Fobs, Repair Services & Battery Replacement

Phone and tablet repair and battery replacement. Laptop battery replacement. Key fob programming and battery replacement... Batteries Plus Bulbs is your one-stop repair and battery replacement resource.

Agreement Attributes

Discounts ranging up to 73% off retail pricing on approximately 200 core items.

Batteries Plus Bulbs has contracted special pricing on the most popular items we offer.

In addition, any item not specifically contracted comes with a competitive, commercial discounted rate.

This also includes a special Device Repair program, keeping your critical devices up & running.

Facility Lighting Site-Walks to identify LED retrofit opportunities and local energy company rebates.

Robust Recycling Program for your spent batteries and light bulbs.
