The iPad Air display has rounded corners that follow a beautiful, curved design. Built into your iPad, Apple Intelligence is the personal intelligence system that helps you write, express yourself, and get things done effortlessly. With groundbreaking privacy protections, it gives you peace of mind that no one else can access your data – not even Apple.

The proceeds of the raffle will benefit the EMA MDF. Tickets are \$50 each or three for \$100.

Advanced tickets are available until May 13. Ticket sales will continue at EMA's conference in Washington, DC until the drawing on May 16. Tickets can be purchased with personal or corporate funds by MasterCard, VISA, American Express, cash or check (checks should be made out to the Energy Marketers of America Marketer Defense Fund). You can donate online by [clicking here](#). To purchase tickets before May 14, please email completed form below to Sabrina Pitcher so that we can place your name on a raffle ticket.
